W.P.(C) No. 4877 OF 2007

Dated this the 13th day of February, 2007

JUDGMENT

I do not propose to go into the merits of the matter. The complaint of the petitioner is that the lane which leads to the petitioner's residence from the Venganoor Pump Road was originally formed by getting free surrender of land from respondents 3 to 6 and that the very same respondents are now trying to annexe portion of that lane as a result of which the lane itself is getting obliterated. Ext.P3 representation has been submitted by the petitioner before the 2nd respondent-Panchayat. If the 2nd respondent has received such a representation, the 2nd respondent will take up the same, issue notice to respondents 3 to 6 and also to the petitioner, hear all of them and take a decision. Decision as directed above will be taken by the 2nd respondent at the earliest and at any rate within six weeks of receiving copy of this judgment.

The Writ Petition is disposed of as above.

PIUS C. KURIAKOSE, JUDGE
